

# Brian Cohen

**Brian Cohen** is an International Sales Account Manager with Orenco Systems,® Inc., a wastewater equipment manufacturing firm based in Sutherlin, Oregon. In this role, he supports Orenco's wide global network of strategic partners and contacts and is a key contributor to the international team's business development and marketing efforts.

With more than 20 years' experience working in the water industry, Brian has served in various executive and sales roles. He has a passion for international business and has successfully developed several global markets, with a strong track record in Asia and Latin America. Brian has also served as a speaker and panelist at multiple conferences and tradeshows around the globe. Before joining Orenco, he spent over 15 years at Aeration Industries in a variety of key executive and management positions, as well as serving on the Board of Directors. He also worked for Osmonics (now part of Suez Water Technologies & Solutions).

Brian holds a BA degree in East Asian studies from Harvard, where he was a member of the varsity football program. When he's not on the job, he enjoys spending time with his wife and two children and is actively involved in coaching youth sports. Brian also serves as Corporate Secretary of the Joseph Durda Foundation, a family foundation that supports a variety of noble causes throughout greater Minnesota. He works remotely from his office in Excelsior, Minnesota.
