EDUCATION: **MS - Agronomy**, LOUISIANA STATE UNIVERSITY, 1987, Soil Chemistry Minor
BS - Soil Science, NEW MEXICO STATE UNIVERSITY, 1984, Chemistry Minor

CERTIFICATIONS: **WASTEWATER SPECIALIST (WWS), # EH-W-760756**, Oregon Health Registration
CERTIFIED PROFESSIONAL SOIL SCIENTIST (CPSS), # 03092, Alliance of Crop, Soil, and Environmental Science Societies

ACHIEVEMENTS: **HEARTSAVER FIRST AID CPR AED TRAINING**, 06/2021
HAZMAT 40-HOUR TRAINING, 10/2015

WORK EXPERIENCE:

OREGON DEPARTMENT OF ENVIRONMENTAL QUALITY - NATURAL RESOURCE SPECIALIST

08/2016 to Present - EASTERN REGION, Pendleton, OR

Responsible for direct services of the onsite sewage disposal program for several counties in eastern Oregon – On a routine basis: evaluate soil test pits and site conditions to determine suitability for onsite sewage disposal, review proposed plans for onsite systems, issue permits and inspect system installations, requiring corrections and/or design changes as needed; provide technical and rule compliance assistance to licensed installers, property owners and the public; investigate pollution complaints and conduct compliance investigations using enforcement guidance when violations are discovered; develop, issue and renew Water Pollution Control Facility (WPCF) permits for large onsite systems, also providing oversight, technical assistance and compliance inspections.

09/2009 to 06/2014 - NORTHWEST REGION, Portland, OR

Responsible for oversight, compliance review and technical assistance for beneficial reuse of recycled wastewater and waste solids generated by water pollution sources, including technical review of management plans and land application plans. Developed and issued or renewed minor National Pollutant Discharge Elimination System (NPDES) permits and Water Pollution Control Facility (WPCF) permits from draft and review of the permit and evaluation report to responding to public comment and final permit issuance. Routinely investigated and responded to pollution complaints from citizens, initiated necessary compliance or enforcement actions, and assisted with other regional water quality program activities.

01/2000 to 06/2010 – NORTHWEST REGION, NORTH COAST BRANCH OFFICE, Warrenton, OR and

11/1998 to 01/2000 - EASTERN REGION, Pendleton, OR

Responsible for direct services of the Onsite Sewage Disposal Program in Clatsop County, OR, and in several eastern Oregon counties prior to 2000 – Job duties and responsibilities same as current work experience with the Onsite Sewage Disposal Program in Eastern Region (see above). Developed and issued WPCF permits for large onsite sewage disposal facilities in Northwest Region. Evaluated site/soil suitability for industrial wastewater irrigation of crops to prevent surface water and groundwater pollution. Provided oversight, technical assistance, and compliance inspections for food processing facilities with WPCF permits.
