

Northwest Oregon Subsection Monthly Meeting

Course Agenda

April 20, 2023, from 1130 to 1:30pm

Topic:

JWC Conventional WTP Tour

Joint Water Commission (JWC) and Willamette Water Supply System WTP and Generator Tour

Speaker:

City of Hillsboro Water Department Senior Program Manager

Agenda:

Chris Wilson will provide an overview of the Joint Water Commission (JWC) plant for 30 minutes. Topics will include discussing the largest conventional WTP in Oregon at 85 MGD and water sources. Additionally, Chris will discuss the partnership between Cities of Hillsboro, Beaverton, Forest Grove, and the Tualatin Valley Water District. 20-minute tour of the facility which will consist of discussing the generator (generator that can operate for two days that can produce 37.5 MGD), pump station and discussing the different instruments.

After the tour is complete, a 10–20-minute Q/A session will be held.

Presentation course timeline: 12:00 to 1:15 on April 20, 2023
