

# Todd Milbrat

**Todd Milbrat** is a Senior Technical Sales Representative with Orenco Systems, a company based in Sutherlin, Oregon, that engineers and manufactures innovative infrastructure solutions. In this role, he works with Orenco dealers and distribution partners to familiarize them with Orenco's products, help them with logistics, and process their purchase orders. He also assists Orenco account managers and systems engineers as needed.

Previously, Todd worked for Orenco as an Electrical Systems Engineer, designing custom control panels. He originally started with the company in 2002 in electronics assembly before transitioning to wiring control panels, including standard, custom, and OEM. Before joining Orenco, Todd gained experience with controls systems in the U.S. Army Corps of Engineers, troubleshooting basic controls and performing interior installations of transformers, junction boxes, and breakers.

When he's not on the job, Todd enjoys hunting, fishing, and camping with friends and family.
