

Mission Statement

Illinois State Water Survey:

The Illinois State Water Survey (ISWS) is a division of the Prairie Research Institute at the University of Illinois. The Water Survey's scientists conduct state-of-the-art research and collect, analyze, archive, and disseminate high-quality, objective data and technical information. The Water Survey's data, services, and expertise provide a sound technical basis for the citizens and policymakers of Illinois to make to make decisions.

WaterOperator.org:

WaterOperator.org aggregates the best resources on the web for small system operators in a free, user-friendly location. With 11,000+ training events added annually and 17,000+ free resources indexed in the database, our staff maintain updated information from more than 800 state and national organizations. The program is a collaboration between the Rural Community Assistance Partnership (RCAP) and the University of Illinois Urbana-Champaign with funding from the U. S. Environmental Protection Agency.
