As the contact for the CEU offering, you are responsible for maintaining CEU records for participants and submitting a complete Roster Report Form to both DEQ and OHA. This form is a fill-able template that can be accessed from the OESAC website at [www.oesac.com](http://www.oesac.com), under the menu heading: "CEU Process." Roster Report Form Instructions are also available at this menu heading. OESAC approves courses for three years from the date of course approval. During this period no re-evaluation is needed for repeat offerings where there is no significant change from the information contained in the initial application. Approved CEU's are posted at [www.oesac.com](http://www.oesac.com) and there are three ways to locate a course listing on the website: OESAC course ID, course title, or course sponsor name.

If you disagree with this determination, you may appeal it. The process for appealing an OESAC decision can be located at [www.oesac.org](http://www.oesac.org) under the heading "CEU Process."

If you have questions, please contact me at (503)698-6486 or email at [info@oesac.org](mailto:info@oesac.org).

Sincerely,

  
J.L. Grycko
