**Dear Judy Grycko:**

Please consider this correspondence a request for CEU evaluation for the AWWA Cascade to Coast Subsection training session to be held in person (location TBD in Eugene/Springfield area) on September 21<sup>st</sup>, 2023, 1:00-3:00 pm. The two-hour training session with Leslie Ann Kainoa & Theresa Masse with Cybersecurity and Infrastructure Security Agency is entitled Cyber Security Threats and Best Practices for the Water Sector for water & wastewater operators to obtain 0.2 CEUs. The Cascade to Coast Subsection of PNWS-AWWA is the sponsor of the training. The speakers are chosen based on prior OESAC CEU Committee approval and topic relevance to Short School agenda and past student evaluations indicating high approval ratings and effectiveness as well as ideas for future topics by the Short School committee.

I am doing the administrative work for the committee this year. Payment for \$75 for the evaluation fee for 0.2 CEUs for this training is submitted online.

Each participant will sign in at the beginning of the meeting. Their certificate will include the following information: School Title, OESAC number, date and number of CEUs earned based on each participant's actual hours of class attendance. The certificate will detail the number of CEUs earned for Water and/or Wastewater Certification, as well as the total CEUs earned.

The OESAC CEU Committee, OHA-DWP and Oregon DEQ will be provided a roster with the participant's name, employer, Oregon Certification Number, type and number of CEUs earned after the completion of the school. A permanent record of individual CEU awards is kept with the Short School files for a minimum of five years.
