**Location: City of Bend's Kerri Training Facility, 22395 McGarth Rd.**

The 2023 Fall Communications Camp is happening 8:00 am to 4:45 pm on Thursday, October 26 in Bend, Oregon. A big thanks to the City of Bend for being our host this year!

The Camp will include a tour of the City of Bend's Water Reclamation Facility and presentations by staff from the cities of Bend, Boise, and many others. The highlight of the Camp will be a presentation on the art of storytelling by the High Desert Museum's Donald M. Kerr Curator of Natural History, Hayley Brazier, Ph.D. The museum is located in Bend, Oregon, south on Hwy 97.

Cost of the event is \$190 for members and \$205 for non-members. This event will provide 0.65 CEUs, pending approval.

The Communications Camp is a one-day specialty conference focused on how to communicate about water, strengthen communications skills, and effectively tools of the trade. Proceeds from the Communications Camp go towards PNCWA's Adopt-a-School grant program, managed by the Communications and Outreach Committee, which funds K-12 educational projects focused on water and the environment.
