

Cody Needles

Cody Needles is a Customer Service Representative with Orenco Systems, a company based in Sutherlin, Oregon, that engineers and manufactures innovative infrastructure solutions. In this role, he works with customers to familiarize them with Orenco's products and help them select the appropriate equipment for their projects. He also assists Orenco's technical sales representatives in providing purchase orders and sales quotes.

Before joining the customer service team, Cody spent 15 years working in various Orenco manufacturing departments, including two years as the lead in residential AdvanTex production. That work experience has allowed him to serve as a special resource to the rest of his team regarding residential AdvanTex field repairs and modifications.

When he's not on the job, Cody enjoys spending time with his kids.
