

Comprehensive Water System Review for Water Utility Employees

Course Objective: A group exercise to highlight important training concepts presented during the PWB's winter training event and review to strengthen retention of all Water Bureau topics, policies, and procedures discussed during the day's activities.

Trainer: Ty Kovatch

Duration: 1 hour

Schedule:

10 minutes: Overview of topics and trainings hosted throughout the day's event. Discussion with trainer and Safety Group over any questions not addressed during earlier. Organize attendees into groups to participate in review activity.

50 minutes: Questions selected from each presentation for employee teams to provide answers and feedback on. Answers to all questions will be provided and discussed throughout this activity.
