

JENNIFER WILSON

TRAINING SPECIALIST

217-778-4054

jswilson@illinois.edu

2204 Griffith Drive, Champaign, IL 61820

My education in water science, experience as a federal regulator, and passion for communication has culminated in a career that has focused on adult continuing education in public and professional settings.

EXPERIENCE

COMMUNICATIONS COORDINATOR

2010 to present | Illinois State Water Survey
University of Illinois at Urbana-Champaign

- Developed and implemented comprehensive, multi-platform groundwater and wells training program for well users, environmental health professionals, and water operators nationwide, including webinars, self-paced training modules, and additional resources.

PROJECT COORDINATOR

2008 - 2011 | Department of Geography
University of Illinois at Urbana-Champaign

- Oversaw all aspects of an \$875K NSF grant project: "Water Cycle Dynamics in a Changing Environment: Advancing Hydrologic Science through Synthesis."
- Planned and executed two Summer Institutes for graduate students to accelerate collaborative research.

ENVIRONMENTAL SCIENTIST, GS-13

2004 - 2008 | Office of Water
U.S. Environmental Protection Agency
Washington, DC

- Facilitated in-person and online training for nationwide implementation of the Arsenic Rule.
- Spearheaded development of free asset management software and associated train-the-trainer online training.

EDUCATION

2002 - 2004

UNIV. OF CALIFORNIA - RIVERSIDE
M.S. Soil & Water Science

1998 - 2002

TRINITY UNIVERSITY
B.S. Geosciences
