

Swan Island Pump Station Tour

Speaker Bio: Ricky Davis

Ricky Davis presently serves as the Pump Station Millwright and Vibration Analyst at the City of Portland – Bureau of Environmental Services (BES), a role he has held for 23 years. During this time, he has also spent five years as a Millwright and Vibration Analyst at the Columbia Boulevard Wastewater Treatment Facility (CBWTP), Oregon's largest wastewater treatment facility. Ricky's expertise contributes to BES's successful operation and maintenance of its nearly 100 pump stations. Before joining BES, Ricky worked as a marine machinist for 19 years, bringing a wealth of experience to his current role.
