

Greetings, OESAC Board!

NWOR AWWA DRINKING WATER SHORT SCHOOL (Drinking Water CEUs) Registration is Open!

The 2024 Northwest Oregon Subsection AWWA Waterworks School for water operators, engineers and managers is back in person and we're excited to experience it with you!

Join us July 9-11, 2024 at the Clackamas Community College Oregon City campus.

This event provides training for water system operators in three core sections:

- Supervision and leadership
- Water quality
- Water operations

This event provides participants the opportunity to gain a full 2.0 CEUs, which satisfies the state requirement for two years of continuing education.

PRICING

	MEMBER	NON-MEMBER	RETIREE OR STUDENT	SPEAKER
Three days	\$400	\$800	Free	\$200 (two additional days)
Two days	\$300	\$540	Free	\$100 (additional day)
One day	\$150	\$270	Free	Free (presentation day)

Waterworks committee members and presenters (day of presentation only) attend for free.

REGISTRATION

Registration will be open until July 8.

Upon successful registration, attendees will receive a link or program map detailing the event. We are unable to offer bulk registration at this time.

SCHEDULE

The preliminary schedule of events will be available on March 20 on the registration page.

For more information, contact Amber Steele at [503-594-3345](tel:503-594-3345) or amber.steele@clackamas.edu.

Keeping Track of Attendance:

This is an IN-PERSON school only this year.

Through the in-person option, in-person students receive a tracking sheet while they attend sessions. Room moderators will stamp tracking sheets after each session, and at the end of the one day, students must turn in their stamped paper to our registration desk to receive their full credit/certificate.

Anyone who does not acquire the accurate number of hours in attendance to obtain the CEU options will not be granted a certificate of completion.

The CEU options are (.1 per hour of attendance):

One Day (.6 CEUs)	Two Day (1.2 CEUs)	Three Day (2.0 CEUs)

On the last day of the event, June 22nd, certificates will be sent out (via e-mail).

Moderation:

Each of our three tracks will have two moderators to assist with speaker technical assistance and monitor full course attendance.

The Schedule:

I've attached a Planner that our team is building to create a perfect schedule for our participants.

You'll see three tracks for each day with a Field Trip-on for the last day.

- Operations & Maintenance
- Supervision & Leadership
- Water Quality & Treatment

There is a 30-minute lunch. Lunch will be provided in-person.

Each track/day has 6 sessions and we have all of our session offerings booked. Please let me know if you need any further assistance with the schedule.
