Hi Ray,

I can attest that for the ICS 300 course attended by EWEB staff, each day had a lunch break of one hour and a 5-10 min break every hour. This will be similar for the ICS 400 class next week. If you have any additional questions, please let me know.

Thank you,

**Bryan Lee**

Hello,

I am interested in acquiring Water CEU credit for the ICS 300 class that I sent my staff to, Scott Brown and Jared Giacomelli. With submission, I need to outline the exact contact hours for the course. In your agenda the lunch is not identified as being an hour and other breaks are not added to the timeline. Could I trouble you to amend your agenda to include those times so that the OESAC committee will accept the contact time? It could be as simple as adding a statement that lunch is one hour and there is a 5 minute break every hour. I appreciate your help.

Regards.
