June 3, 2024

OESAC CEU Committee
P.O. Box 577
Canby, OR 97013

Enclosed is the complete application packet for a course entitled "Lead and Copper Rule Revisions" for review and approval. The class is for one hour and will be presented by Robbie West from City of Klamath Falls. Date of course is June 6, 2024 in Klamath Falls, Oregon. Course is sponsored by the AWWA Southern Oregon Subsection.

Attendance will be tracked by OESAC sign-in sheet. Course breakdown is as follows:

- City of Klamath Falls Geothermal Overview
 - 5 minutes introduction
 - 20 mins discussing city geo infrastructure and seasonal operations
 - 10 mins discussing private infrastructure in the region
 - 10 mins discussing challenges with operating the system, aging system and maintenance
 - 15 minutes question and answer

Sincerely,

Cyndi Weeks
