Name: Keith Bedell

Employer: OAWU

Address: 935 N. Main Street. Independence, OR 97351

Phone: 503-837-1212

Email: kbedell@oawu.net

### SPEAKER CREDENTIALS/BIOGRAPHY (Short paragraph describing background, education, experience, etc.)

Keith began his working career in the timber industry. He held many positions in this field including; pulling green chain in a lumber mill, hi-lead logging, cat and skidder logging, timber falling, tree planting and controlled burns.

In 1991 Keith decided to go to college and received his Associates Degree in Water/Wastewater technology from Linn Benton Community College in 1993. At this time he and his family headed east to Central Oregon, ending up in the Redmond area.

Keith began his Water/Wastewater career at a small private utility in Bend, he soon moved on to employment with a small city in the area. Keith was hired as a Utility Worker I, doing everything from working in the ditch laying water and sewer pipe to operating the equipment for excavation. During his time with the city he moved up the city ladder to Wastewater Department Supervisor and eventually to Utilities Supervisor; overseeing the water, sewer and storm water departments.

Keith comes to OAWU after retiring from his city career. He is eager to begin this new adventure with the OAWU team and share his knowledge with other team members.

Name: Simon Cartwright

Employer: Xylem-Flygt

Address:

Phone: 503-290-2170

Email: simon.cartwright@xyleminc.com

### SPEAKER CREDENTIALS/BIOGRAPHY (Short paragraph describing background, education, experience, etc.)

Simon Cartwright joined Xylem-Flygt Portland as the municipal project representative in October 2011. Prior to this he worked at Orenco systems for 5 years culminating as the Eastern Regional Manager, supporting their business partners east of the Rocky Mountain and internationally (Canada and South Pacific) specializing in residential on-site treatment. A native of Australia, Simon served 10 years in the Royal Australian Navey, working in both the electrical and mechanical engineering fields. After the military, he worked in engineering sales for Flygt in Australia between 1997 and 2005, helping engineers design, install, and maintain private and municipal wastewater treatment, pump stations and control systems. Simon also owned and operated a bookstore for seven years, so he's well-grounded in business management. Simon came to Oregon to be closer to his wife's family, and spend much of his time experimenting with growing Perigord truffles at his home orchard located in Cottage Grove.
