

Brad Musick

Registrations and Certifications

- Grade V Wastewater Certification, California
- Class IV Wastewater Certification from Indiana, and Hawaii
- Class D, Industrial Wastewater Certification, Indiana

Professional Summary

Brad Musick specializes in biological treatment, specifically activated sludge, and both aerobic and anaerobic digestion. His expertise in plant operations and facility management is utilized in projects throughout the United States and Canada. Brad is proficient in facility optimization and troubleshooting, energy reduction, and in both the development and delivery of training. Brad Musick led Operations Services for two large environmental engineering firms, owned his own consulting company, and previously managed two large activated sludge treatment facilities. He has over 41 years' experience in the water treatment and consulting.
