

OESAC Committee,

Regarding: Street Maintenance & Collection Systems Short School

Every six months we hold a short school education program for those in the public sector seeking information, education, networking and CEU's. Our event this Spring will be at the Riverhouse in Bend, Oregon.

Attached are the documents necessary to support our application for 1.2 wastewater CEU's and we would be interested to see if any of them also qualify for water CEU's.

This request includes 0.1 CEU for visiting 4 exhibitors who qualify as Waste-Water Vendors and 1.1 CEU for eleven hours of instruction.

Wastewater Specifics:

- All of Track one, Titled Collection Systems
- All of Track two, Titled Collection Systems

Thank you for your consideration of our request. If you have any questions, please feel free to reach out to me anytime.

~Jessica Carpenter
