January 2025

PROFILE

Mr. Walter has an extensive and varied work history ranging from small system operation to management positions over advanced wastewater treatment facilities. He is well versed on modern operations and maintenance methods and is an effective communicator. Mr. Walter's combination of experience gives him a unique ability to orient quickly and facilitate action.

In 2016 Mr. Walter founded Waterdude Solutions a consulting company focused on providing technical support to wastewater treatment facilities. His experience includes planning for maintenance of plant operation during construction and system commissioning coordination.
