

Jennifer Cripe

Jennifer Cripe is a Customer Service Representative with Orenco Systems, a company based in Sutherlin, Oregon, that engineers and manufactures innovative infrastructure solutions. In this role, she provides troubleshooting and helps with order processing for various customers throughout the United States and Canada.

Having started at Orenco in 2008, Jennifer has years of experience with Orenco, its employees, and its customers. When she's not on the job, she enjoys traveling and spending time with family.
