

PNCWA Sustainability and Biosolids Webinar Series

- April 17 | Powering Sustainability: Onsite Energy Innovations for Wastewater Treatment
- May 14 | Designing the Future of Solids Management
- June 13 | The Energy Transition- Yup, It's Still a Thing!
- August 15 | Industrial Symbiosis in Denmark and the USA

CEU Tracking

The PNCWA Managing Director will attend all webinars within this series to track attendance for CEUs. Additionally, a Zoom report will be used to confirm the length of time each attendee spent in the webinar session.
