

# Amber Johnson

**Amber Johnson** is a Technical Service Representative with Orenco Systems, a company based in Sutherlin, Oregon, that engineers and manufactures innovative infrastructure solutions. In this role, she helps customers with troubleshooting, order placement, product sourcing, and product research.

Originally from Reno, Amber came to Orenco with over 20 years of customer support experience. In her spare time, she enjoys quiet evenings on the back patio with a good podcast, fishing and crabbing on the Oregon coast, and visiting family whenever she can make it back to Nevada.
