Edward A Fitzgerald BIO

Ed has over 50 years of experience in Confined Space Entry, Fall Protection, OSHA Compliance and Air Monitoring instructing at the University of Findlay, Bowling Green University (State Fire School) as well as the Ohio Bureau of Workers Compensation. Ed is Ohio EPA Approved for Contact hours to both the Municipal Sewer and Industrial Manufacturing Industry.

Many of you may know Ed from his extensive talks and informative sessions at the annual WWETT Show. Ed has been in the Sewer Cleaning industry for nearly all of his 50 years of service. In that time, he has helped develop some of the industry's best and most practical collection system cleaning techniques & practices in the nation.

Ed has trained in all aspects of confined-space-entry, including Fall-Protection equipment, air monitoring instrumentation and mechanical / rope rescue techniques. His expertise, as a Safety equipment consultant extends to the evaluation, monitoring and maintenance of municipal and industrial wastewater fixed collection systems.
