

Community Outreach & Education Toolkit
September 15, 2020
12:00PM – 1:30PM

Upcoming Online Course

Join King County Outreach & Education Specialist, Siena Ezekial, for an 1.5 course on community outreach and education.

Description

Wondering what community outreach looks like in the virtual age? Want to learn about resources you can use to expand your organization's reach? Join this interactive session with Education Specialist, Siena Ezekiel, on how the Wastewater Treatment Division of King County (WA) has embraced the virtual transition to continue offering educational opportunities and expanding their reach to future resource recovery leaders.

Instructor

SIENA EZEKIAL has worked as an Education & Outreach Specialist for King County's Wastewater Treatment Division for nearly 5 years. Siena has a Master of Arts in Education focused on urban environmental education from Antioch University, Seattle. In her decade as an environmental educator, Siena has developed and led interactive education programs for children, teens and adults focused on urban gardening, water resources, sustainability, and career pathways.

Pricing

Northwest Biosolids Members = Free

Not Yet Members = \$40 (Purchase here: <https://www.eventbrite.com/e/resource-recovery-community-outreach-education-toolkit-tickets-113925480178>)

Registration

Register here:

<https://us02web.zoom.us/meeting/register/tZApfu2grjoqE9Qsm8wCN5GHHFErHEYqBwrg>

Space is limited to 50 participants on a first-come, first-serve basis. A confirmation email containing details on joining the series will be sent once registration (and payment for non-members) is received.

Attendance

Attendance will be tracked via live attendance reports generated from online interface. Successful completion will be assessed through a post-course quiz, from which attendees will need to achieve 70% or higher to gain credit. A roster of attendees with successful completion will be forwarded to awarding agencies. Roster will include their email, certification number, affiliation and credits earned.
