

## ***100% Remote 27<sup>th</sup> Annual Event***

### **Pacific Northwest Pretreatment Workshop November 2020!**

The Pacific Northwest Pollution Prevention Resource Center (PPRC) is sponsoring the **27th Annual Pacific Northwest Pretreatment Workshop**

Mark your calendars. Don't miss this excellent educational and professional networking opportunity.

**NOVEMBER 2, 5, 9, 12 and 16, 2020, 8:00 to 12:00 PST**

\$30 Workshop Registration Fee

***Up to 2.0 CEUs Available***

It has been a strange year and we're looking forward to continuing to offer pretreatment training this year, against all odds! This year's workshop will be held through a virtual platform for the first time in the 27 years of this training event!! We're excited to be able to include speakers within the pretreatment community from all over the country, and to make it more feasible for our pretreatment colleagues nationally to attend.

Highlights for this year's workshop:

- 5 day webinar series, 4-hour block's each day
- Up to 2.0 CEUs available
- Pretreatment 101 and 102 topics
- Case Studies; Enforcement, Covid-19 Issues, Program Development, Local Limits, High Strength Waste
- Current Pretreatment Topics of Interest
