

Presentation Title: AquaNereda® in North America: Building on the Success of Aerobic Granular Sludge Technology

OESAC ID: 4364

Host Organization: Pacific Northwest Clean Water Association

Presentation Date: May 26, 2021

Presentation Time: 1:00 – 2:00 PM PST

Presentation Schedule: 1 hour continuous presentation. This presentation has no breaks.

Contact: Casey Gish, cgish@brwncald.com

Presenter Biography:

Paula Dorn

Process Engineer, Aqua-Aerobic Systems

Paula Dorn is a process engineer with Aqua-Aerobic Systems supporting the AquaNereda® Aerobic Granular Sludge Technology. She graduated from the University of Illinois at Urbana-Champaign with BS and MS degrees in Civil and Environmental Engineering and has been in the wastewater industry for the past three years.

ABSTRACT

This presentation provides a technical overview of aerobic granular sludge and discusses case studies and common applications for the use of this technology.
