OESAC CEU Committee:

On behalf of U.S. EPA, the Horsley Witten Group would like to apply for CEUs for Drinking Water for the free April 7-8, 2021 Oregon Drought Resilience and Water Loss Workshop being held virtually due to COVID-19. I have attached the following information as one document as background for course CEU assignment:

- Event Agenda - shows 3 hours of training, excluding breaks for each training day for a total of 6 hours. We would like for people to earn 3 training hours if they are only able to attend one day of the training.
- Event Flyer
- Completed Instructor Background Forms and Resumes for Chantal Wikstrom, Dawn Ison, Chris Brown, Will Keefer, Larry O'Neill, Scott Berry and Tim Tice.

The free event is available for registration at

<https://attendee.gototraining.com/r/1750656020079595778>.

Thank you for the opportunity to submit this application and please let me know if I can provide you with any other information prior to review and approval.

Regards,
