Subject: Oregon StateWater/Wastewater CEU Application for TEEEX Disaster Management Courses

Recipient,

Attached are the documents indicated that are necessary to approve the TEEEX *Disaster Management for Water and Wastewater* (MGT-343) course for Training Contact Hour (TCH) certification for the renewal of Oregon StateWater and Wastewater Operators' Licenses, Continuing Education Unit (CEU) Accreditation for Oregon State- Certified Public Works Managers.

The Course Design Documents (CDD) provides the required course description and timed agenda. Included are bios for our programs most utilized water and wastewater course instructors.

TEEX would also like to submit for accreditation the TEEEX *Strategic Overview of Disaster Management for Water and Wastewater Utilities* (MGT-342), included in the attached documents. All of our TEEEX Disaster Management classes are approved by International Association of Continuing Education and Training (IACET).

For your reference, also included are our standard TEEEX sign-in roster, a sample copy of the TEEEX/NERRTC certificate of completion, and a copy of the DHS/FEMA Student Assessment of Course and Instructors form that is completed by each student.

Sincerely,

George A. Cano | Instructor
