COURSE TITLE
Water Industry Emergency Response to Terrorism (MOD #1)

COURSE DURATION
1 hour

OVERVIEW
This Introductory Guide for First Responders is essential for those employees who may be among the first to arrive at an incident of suspicious origin. It is intended to be a general introduction to the basic concepts for first-responder awareness at the scene of a potential terrorist incident. NOTE: This training program consists of four learning modules. To maximize retention of the course material, all four modules must be completed within 365 days of starting the course to receive a certificate of completion.

This training course has 14 learning modules with a 10-question exam.

PREREQUISITES
No prior knowledge is required.

BEHAVIORAL OBJECTIVES
After successfully completing this course, you will be able to:

- how to distinguish the chief characteristics of terrorist activities
