

COURSE TITLE

Water Industry Emergency Response to Terrorism (MOD #3)

COURSE DURATION

1 hour

OVERVIEW

This Introductory Guide for First Responders is essential for those employees who may be among the first to arrive at an incident of suspicious origin. It is intended to be a general introduction to the basic concepts for first-responder awareness at the scene of a potential terrorist incident. NOTE: This training program consists of four learning modules. To maximize retention of the course material, all four modules must be completed within 365 days of starting the course to receive a certificate of completion.

This training course has 12 learning modules with a 10-question exam.

PREREQUISITES

No prior knowledge is required.

BEHAVIORAL OBJECTIVES

After successfully completing this course, you will be able to:

- Identify characteristics of the six common types of personal threats to your safety.
- Contrast the value of different self-protective measures in dealing with the six common types of personal threats.
- Differentiate among the hazards that can occur at various incidents.
- Relate the protective measures of time, distance and shielding to various incidents.
