

# “Microscopic Examination of Wastewater – Filamentous Bacteria” Workshop

11/17/2021

LIVE ONLINE

## Agenda

Instructor: Victor Santa Cruz

Time	Material Covered
12:00 PM	Welcome & Intro to Workshop
	Introduction to Microscopic Examination of Wastewater
	Identification of filamentous bacteria
1:30 – 01:45	Break
	Control measures of filamentous bacteria
	Floc structure of filamentous bacteria
	Impact of filamentous bacteria on wastewater treatment
03:15 PM	Adjourn
