

Robert Miller BIO

I was born and Raised in Keizer. I was part of a Family business in Keizer which was founded in 1958.

In 2015 I founded KARM Safety Solutions to help train and educate employees on construction safety, General Industry, and also help Companies stay current with new industry regulations. I have served on the Keizer Chamber board as a member and Past President.

I was a cooperate trainer for Hertz Equipment from 1998 to 2014 preforming Equipment Safe Operator Training.

From 1981 to 1998 we ran a family equipment rental business. I worked on safety compliance for CDL Drivers and mechenics.

I currently serve a VP on the Keizer Community Foundation. Board Member on the Salem Contractors Exchange, Vice Chair for the American Society of Safety Professionals Santiam Chapter.

I Volunteer Teach at the Salem Keizer CTE school teaching Ladder safety and Fall protection, I also volunteer to preform safety training for apprenticeship workers at IEC Oregon in both Salem and Portland.
