

Pacific Northwest Pretreatment Workshop Virtually, November 2020

Presentation and Biographical Information

Presentation and Speaker biographical information will be used by the Conference Planning Committee to apply for conference Continuing Educational Units (CEU) certification. Biographical information may also be used during speaker introductions. Please e-mail this information to **Andria Swann** at andrias@sumnerwa.gov before **September 15, 2020**. If you have any questions, you may contact your PNPW sponsor.

Presentation Title & Abstract:	Building Support for a Pretreatment Program Pretreatment programs have multiple benefits for clean water utilities and their communities. Analyzing and communicating these benefits, relative to the costs, is vitally important to gaining support for a pretreatment program both within the utility and the local government. This presentation will provide perspectives of utilities from across the U.S. on the benefits of their pretreatment programs and how to build support for the programs.	
Name & Title	Cynthia Finley, Director, Regulatory Affairs	
Employer	National Association of Clean Water Agencies (NACWA)	
Address	1130 Connecticut Ave NW, Washington DC 20036	
Phone & Fax	202-533-1836, fax 888-267-9505	
e-mail Address	cfinley@nacwa.org	
# years in field	15	
Professional Association Memberships		
American Society of Civil Engineers (ASCE)
