

Meeting Agenda

Screenings WasherCompactor Manufacturer Training Workshop

Date: May 4, 2022

Project: Spring Street STP Phase 1

Time: 8:00 A.M. - 11:00 A.M.

Location: Spring Street STP, Klamath Falls OR

1.1 Objective

The intent of this training is to provide all plant personnel (Operations, Maintenance and Electrical) with the general knowledge to operate and maintain the equipment. Personnel will understand the functional and technical operation of the equipment, be able to troubleshoot, maintain and repair the equipment and adhere to recommended safety procedures.

1.2 Meeting Plan
