Experience

Natural Resource Specialist III, Oregon Health Authority - Drinking Water Services

Portland, Oregon. January 2020 - Current, 40 hours/week Kari Salis, (971) 673-0423 - may be contacted

- Providing technical services, regulatory compliance and water quality assistance to Marion County's public drinking water systems under the EPA's Safe Drinking Water Act.
- Coordinating emergency preparedness and response activities and assistance for Oregon's water systems and serves on the state's Incident Management Team for emergency events such as the COVID-19 pandemic and the 2020 Oregon Wildfire Response.
- Implementing solutions to more effectively respond to large scale emergencies in public drinking water systems and public health issues.

Project Manager, California Land Stewardship Institute

Napa, California. April 2017 – August 2019, 40 hours/week Laurel Marcus (707) 253-1226 – may be contacted

- Conducted site evaluations on farms, ranches, orchards and vineyards to develop individualized management plans to improve soil, water quality and restore fish habitat as part of the Fish Friendly Farming Certification program.
- Managed and monitored erosion control projects and practices on rural farm properties and riparian settings.
- Conducted field data collection, streamflow assessments, GIS mapping, watershed research and data analysis.
- Managed US government funded grants up to \$500,000 USD, grant writing, conference planning and community outreach.
- Hosted workshops aimed at bringing together farmers, vineyard managers and soil researchers to present methods in increasing soil health and moisture to produce higher yields and quality produce.

Global Climate Change Coordinator, United States Peace Corps/USAID Zambia

Chipata, Zambia. February 2016 – April 2017, 40 hours/week Donald Phiri +260 211-260-377 – may be contacted

- Worked under USAID's with the Zambian Forestry Department to improve forest reserve management and deter illegal logging by teaching sustainable forestry practices, beekeeping and agroforestry to surrounding communities.
- Implemented a community-based reforestation pilot project funded by the U.S. Forest Service to assist community groups in developing orchard management plans and plant over 4,000 fruit and woodlot tree seedlings in Eastern Province, Zambia.

Agriculture Extension Agent, United States Peace Corps

Petauke, Zambia. February 2014 – February 2016, 50 hours/week Cleopher Bwuepe +260 211-260-377 – may be contacted

- Taught permaculture and agroforestry practices to smallholder farmers, conducted garden visits and assisted market gardeners with site design to maximize water storage, improve soil fertility and pest management.
- Supported smallholder farmers in identifying and implementing effective solutions regarding increasing household income, sustainable land management, and food security.
- Managed the distribution of grant funds amounting up to \$5,000 from the U.S. Government for community-based projects.
- Assisted the Kapungwe Rural Health Clinic in HIV/AIDS testing and held workshops on safe sex practices and family planning while using the native language.

Research Assistant, Institute for Watershed Studies

Bellingham, Washington. September 2012 – June 2013, 25 hours/week Joan Vandersypen (360) 650-7384 – may be contacted

• Performed hydrology field tests and water quality data analysis throughout the Lake Whatcom watershed in Bellingham, WA.

Environmental Educator, North Cascades Institute

Diablo, Washington. June 2012 – August 2012, 40 hours/week Katie Chipko (360) 854-2599 – may be contacted

Facilitated stewardship and citizen science projects in selected areas of the North Cascades National Park, WA
as well as coordinated and led multi-day activities for family programs in the Environmental Learning Center
and around the national park.

Rental & Repair Technician, Mt. Baker Ski Area

Bellingham, Washington. November 2011 – February 2014, 30hours/week Jake Bobst 360-734-6771 – may be contacted

• Provided rental repair, tuning and snowboard/ski fittings for rental customers as well as customer service and conducting monthly inventory reports.

Whitewater River Guide, Blue Sky Outfitters

Seattle, Washington. April 2009 – September 2012, 30hours/week Brad Sarver (206) 938-4030 – may not be contacted

• Planned and guided safe commercial river trips throughout Washington State and provided safety and logistical support for the team.

Volunteer Experience

Board of Directors (Member-at-Large), Middle Fork Willamette Watershed Council (2020-Current)

 Assists in oversight of the council's programs, hiring committee, fundraising efforts, Diversity, Equity & Inclusion policy and practices, and ensures that core missions and goals are being met.

Disaster Action Team Volunteer, American Red Cross Mt. Baker Chapter (2012-2013)

• Provided technical support for the Disaster Action Team and responded to local emergencies and processing the required paperwork while on-call.

Volunteer Trip Leader, Sierra Club's Inspiring Connections Outdoors (2008-2009)

• Supported Seattle's underserved communities in environmental and outdoor education by leading outdoor excursions and after school programs for kids and young adults aged 7-18.

Additional Skills & Training

- Certified Erosion and Sediment Control Lead #81986 (OR DEQ, WA DOE).
- Permaculture Design Certificate, OSU & Permaculture Institute of North America.
- Proficient in ArcGIS, QGIS, GPS systems, Microsoft Suite, Google Suite, Adobe Photoshop and Illustrator.
- Language: Intermediate advanced proficiency in ChiChewa/Nyanja, fluent in Khmer and beginner in French.

Education

Western Washington University, 2010-2013

B.A, Environmental & Natural Resource Management

Disaster Risk Reduction and Emergency Planning, Geographical Information Systems (GIS)
